

Testing Process and Best Practices

Course description

This course provides test engineers and those who are interested in testing with the essential ideas, processes, tools and skills they need in order to set themselves on a path for effective testing and highly skilled testing professionalism. It provides test methodology behind a successful testing program and covers a wide range of issues, from those related to the individual tester to those related to the testing department as a whole. The testing process is presented, both through theory and hands-on exercises that follow an example project, including the difficult tasks of tracking and presenting tests results.

Course objective

As a part of the course, delegates will develop an understanding of:

1. Quality and its consequences
2. Standard testing methodologies and processes
3. Testing Best Practices and How to test smartly
4. How testing activities fit in to Software Development Process and Lifecycle
5. How to writing standard testing documents
6. How to writing effective test cases
7. Distinguish between incidents, problems and defects
8. How to writing effective test report
9. Testing and Risks

Instructor

Kingkeaw Changkachitt

Language

Thai

Course fee

12,500 Baht (Excluded VAT 7%)

Duration

2 days (approximately about 6 - 8 hrs).

Date & Time

31-Aug-2017 : 09:30 - 16:30

to

1-Sep-2017 : 09:30 - 16:30

Venue

Elite Meeting Room1-2,10th Floor Amarin Tower

Who should attend

Test engineers, Test managers, and those who are interested or involved in testing areas.

Course outline

Day One

- Module 1: Introduction to Software Testing
- Module 2: Testing Process and Lifecycle
- Module 3: Testing in Development Lifecycle
- Module 4: Testing Level and Testing Type
- Module 5: Test Documents and Tools

Day Two

- Module 6: Test Methodologies Behind a successful Testing Program
- Module 7: Pragmatic Testing Workshop

Payment Condition

All fee must be paid in full at least 7 days prior to the start of the class

- Cheque should be made payable to "Global Process Innovations(GPI) Asia, Co.,Ltd."
- For the account transfer, deposit the amount to "Global Process Innovations(GPI) Asia,Co.,Ltd.", saving account number: 216-204667-7, Siam Commercial Bank, Pleonchit Center Sub Branch (Please fax the pay-in slip to +66-2-305-6866)

Remarks

1. The cancellation of the attendance shall be made in written form before the class starts. Or a charge of 40% of the fee shall be imposed for the notice of the cancellation less than 7 working days before the commencement date.
2. GPI Asia reserves the right to cancel courses due to unforeseen circumstances.
